

## Apostrophe is excited to announce a new addition to our Smart Shopper program:

MinuteClinic® locations are staffed by licensed providers who can treat non-urgent illnesses, injuries and wellness services for:

- Coughs, sore throats, fevers
- Burns and bug bites
- Diabetes, high blood pressure and high cholesterol
- And so much more!

**quality.  
convenient.  
affordable.**

With over 1,100+ clinics in 33 states and D.C., you now have more places to get care — down the road or away from home. MinuteClinic locations are open 7 days a week, including evenings and weekends. Walk-ins are welcome, or you can book an appointment online.

While there aren't locations available in every state, if you or family members are traveling and need care, you can take comfort in knowing your Apostrophe card will be accepted at a nearby MinuteClinic.\*

And the best part is, you can get care for \$0 (copay plan). If you're enrolled in an HSA plan, you'll still benefit from the low cost, convenient care.

\*Not all MinuteClinic services are covered by your plan. Check your Summary Plan Description for details.
